

Toro Irrigation DDC™ Series Controllers

4, 6 and 8 Station Residential Controller

**The world is becoming digital...
why should your irrigation
controller be any different?**

Introducing the DDC™ Series, one of Toro's most exciting new additions to its controller product offering. Although compact in size, several large features are packed into the DDC – making it extremely affordable for any residential or light commercial irrigation application.

Available in 4, 6 or 8 station models, the DDC features an exclusive, patent-pending virtual dial interface, that guides a user through simple programming functions.

Setting up an irrigation schedule has never been easier!
